

Geopolitical Risk

LEARN HOW TO TURN POLITICAL
INSIGHT INTO ACTIONABLE IMPACT

EXECUTIVE EDUCATION

Lead with confidence

A dynamic and immersive learning experience designed to equip mid-to-senior executives with the knowledge and strategic insights needed to navigate today's complex global landscape.

In an era defined by political uncertainty, economic volatility, and geopolitical tensions, organisations must anticipate and adapt to global risks.

Through interactive seminars, participants will gain a deeper understanding of how political, economic, and societal forces interact to create risk and opportunity in today's interconnected world.

Join us at the University of Oxford to gain the insights and expertise that will set you apart in today's fast-changing world. Our Executive Education programme equips you with the knowledge, skills, and networks needed to navigate complexity, drive innovation, and lead with confidence in an evolving global landscape.

Our Geopolitical Risk programme will give you that knowledge and understanding to deal and prepare better in the future – better informed, is better prepared, is better outcomes and better results for you and your organisation.”

**DAVID DOYLE, HEAD OF DEPARTMENT,
PROFESSOR OF POLITICS**

The Oxford advantage

This programme brings together world-leading Oxford academics and industry executives to explore the key geopolitical challenges shaping decision-making across a variety of sectors. It is a great opportunity to gain the tools, connections, and confidence to navigate an uncertain global landscape with clarity and foresight.

Learn from world-class faculty

Designed and delivered by leading academics from the University of Oxford's Department of Politics and International Relations (DPIR). **Number One University for Politics in the UK** and **one of the best political science departments in the world**.

Continue learning beyond the classroom

As a programme graduate, you will gain exclusive access to our Geopolitical Risk Forum, where you can continue learning through online lectures featuring expert insights and interactive Q&A sessions.

Develop critical insights

Gain access to cutting-edge research and theoretical perspectives that provide a nuanced understanding of contemporary geopolitical risks.

Exclusive Oxford experience

Immerse yourself in the intellectual atmosphere of one of the world's most prestigious universities.

Expand your professional network

Connect with mid-to-senior executives and industry leaders, building lasting professional relationships that extend beyond the programme.

Insightful seminars with real-world relevance

This programme's faculty possess extensive knowledge of the most important political touchpoints in the world right now.

THE UNCERTAINTY OF US POLITICS

Professor Desmond King

This seminar addresses probable trajectories in US domestic politics including economic policy and foreign policy under the Trump administration.

POLITICAL RISK IN CHINA

Professor Todd Hall

An introduction to the Chinese system and the ways in which it is likely to respond to the evolving international environment.

POLITICAL RISK IN THE MIDDLE EAST AND NORTH AFRICA

Professor Neil Ketchley

This seminar explores the evolving landscape of political risk in the Middle East and North Africa (MENA).

THE POLITICAL RISKS OF CLIMATE CHANGE

Professor Federica Genovese

Consider driving and opposing forces of political conflict around climate change.

THE STATE OF BRITISH POLITICS

Professor Jane Green

Using 60 years of British Election Study data, this session will explain the most important social and economic changes.

For future-focused leaders

This programme is designed for mid-to-senior executives navigating complex global landscapes. It is ideal for professionals, senior managers, directors, and organisational leaders across a variety of sectors.

Whether you are responsible for strategic decision-making, risk assessment, or crisis management, this programme will equip you with the knowledge to anticipate and respond to evolving geopolitical challenges.

If you are looking to enhance your ability to interpret global risks, refine your organisation's resilience strategies, and make informed, forward-thinking decisions, this programme is for you.

We are seeking ambitious professionals who are:

- ✓ Mid-to-senior level executives
- ✓ Professionals from diverse industries looking to drive strategic impact
- ✓ Decision-makers who want to enhance their leadership skills
- ✓ Decision-makers who want to enhance leadership skills and gain global insights
- ✓ Individuals who are eager to collaborate, challenge perspectives, and apply insights directly to their organisations

Immerse yourself and leave inspired

This programme offers the perfect blend of Oxford's intellectually stimulating environment and the convenience of modern design, ensuring an **unforgettable and immersive experience**.

Your experience begins with an early evening welcome reception, allowing you to network with fellow participants, followed by a formal three-course dinner in the grandeur of Rhodes House. On the second evening, a more relaxed dinner is followed by a historic tour, led by Professor William Whyte, an esteemed Oxford historian known for his engaging storytelling, concluding at one of Oxford's iconic pubs.

Throughout your stay, you will enjoy continental breakfasts, delicious lunches, grazing platters, and refreshments, ensuring you remain energised and focused.

Timeless tradition with contemporary experience

Hosted at the historic and prestigious Rhodes House, a Grade II* listed classic Cotswold style venue renowned for its role in educating world leaders and Nobel Prize winners. Combining Oxford's timeless tradition with modern design, the venue offers beautiful en-suite accommodation, just a short walk from central Oxford.
